

Residency Plan Form

Site Coordinator: The most successful and exciting residencies are those planned with enthusiasm and care. As you discuss your plan with your selected artist, please use this outline to map out what is expected of your fellow teachers, volunteers, administrators and the artist. The goal is to avoid possible confusion when your artist arrives and begins working in your environment. The artist wants to help you meet your curriculum goals and share his/her talents with your students in a way that will be fun and informative.

Once the residency planning is complete, please mail a copy of this form back to ArtsEast. *Thank You!*

Please indicate if you would like the ArtsEast Programs Coordinator to be included in the pre-planning meeting: Yes No

Site:	
Site Coordinator:	
Artist:	Residency dates:

1. What art form will be taught?
